## Seal

- Unlimited use for all marketing and advertising activities both print and online
- Unlimited use worldwide
- Duration of use unlimited
- Authorization for the respective fund company
- Seal is provided in common formats

## Marketing examples:

- Social media
- Fact Sheets
- Presentation
- Homepages
- Signature
- Flyer
- LinkedIn
- Trade fairs

## Tree sponsorship

- Tree sponsorship with 0.5 tons CO2 savings p.a.

ProVita plants 35 native trees, which provide a compensation of 0.5 tons of CO2 per year. A tree certificate with location GPS measurement protocol will be handed out and may be used as described above.

### The tree sponsor receives...

- Confirmation of proof of planting
- Certificate for the CO2 compensation for the company
- A GPS measurement report with data from the property
- 35 trees of native tree species planted in the European Union
- A 3-year growing guarantee with replacement plantings
- A photo of the property with a wooden/metal board with company logos set up
- The possibility of viewing

The best of the best  
from Germany's largest  
ESG fund comparison
